

Let's take a look back at the end of 2024 celebrations at the Children's Home - most importantly of all - Chanukah!

Chanukah at the Children's Home!

Chanukah is a very special time of year and at our Children's Home we go all out!

For this year's Chanukah party, the children were split into different groups and went from one fun station to another. The activities included, ring toss on a Chanukiya, digging for special Chanukah tokens, a spoon race with chocolate coins, and a science experiment with flames.

The children had a blast, especially our new group who experienced their first Chanukah celebration at the Home.

Naming our New Group

As is tradition at our Home, each group of children is called up one at a time to light the Chanukiya - each group lighting 1 of the 8 candles.

Our new group of sweet young children lit the 8th candle and revealed the name they chose for themselves - **Aviv!**

Congratulations to the Aviv Group on the beautiful name!

Aviv means spring, and here in Israel it represents regrowth and blossoming and that is exactly what we wish for the newest members of our Children's Home.

First Vacation of 2025

During Chanukah vacation, the children who stayed on campus had some serious fun! As we have mentioned before, approximately a third of our children cannot go home for vacations or weekends off and stay on campus for their safety. With the help of your donations, we provide these children with onsite activities and offsite excursions to make sure they have a memorable school break.

The children enjoyed a fire juggling circus with our lawyer friends at Agmon with Tulchinsky, an arts activity with volunteers from Cadence Design Systems Israel, and the older boys went to see a movie. And, of course, plenty of donuts!

Farewell 2024, it hasn't been an easy year but we got through it with the support of good friends like you!

Happy 2025!!
