PURIM 2025 AT THE CHILDREN'S HOME

There's nothing like a week-long Purim Party to raise your spirits!

The week of Purim is full of spontaneous dance breaks, make-up and nail polish stations, dress-ups, over-the-top decorations, candy in endless forms, and a lot of fun!!

Every corner of the campus was decorated with impeccable detail. Just see for yourself!

Our staff worked around the clock to turn the Children's Home campus into Disney World with an unbelievable circus and all our princes and princesses enjoyed the Purim celebrations so much they are not ready for it all to end. (Don't worry, kids, Pesach preparations will begin in no time).

Keep scrolling to check out some of the most impressive costumes!
